

Your Auto Loan Payments

The cost of a lot of things have been going up. Would you like the cost of something to go down?

The balance on your loan has been going down. How would you like for your **payment** amount to go down too? If you've had your auto loan for at least a year, call us to lower your payment.

For details call Ken at (404) 733-0640, ext. 23, or return (by fax or mail) the bottom portion of this sheet.
